**UP TO 10 YEARS LIFETIME?!**

Yes! With Heartbeat Life, we offer up to 10 years of warranty. We're that confident that our touchscreens will outlast the typical 5-7 years of usage.

**Here's how we make it happen:**

- ✔ Regular firmware updates
- ✔ OS upgrades, even through hardware modules
- ✔ Integration of new functionalities

In short, i3CONNECT provides everything that's needed for your touchscreen to live long and prosper.

## WHY LIFETIME EXTENSION?

By choosing to extend the lifetime of your touchscreens, you're not only making a smart financial decision but also contributing to a more sustainable future. Think of the money saved from avoiding frequent replacements and the significant reduction in CO<sub>2</sub> emissions. Now that's a positive impact on your finances and the planet!

## HERE'S WHO BENEFITS FROM HEARTBEAT LIFE:

### IT admins

Who can always keep your touchscreens up to date

### Users

Whose tools are always uniform and up-to-date, even across different display types

### Sustainability Officer

Who registers a reduced CO<sub>2</sub> footprint

### Financial Manager

That see a lower Total Cost of Ownership

## Always uniform

Thanks to Heartbeat Life, the interactive display in Room A has the exact same look and feel as the display in Room B. Always, even if they're entirely different models! We achieve this through lifetime firmware updates, OS upgrades and even hardware upgrades containing i3CONNECT Studio.

## Always secure

Your interactive display will always be equipped with up-to-date security protocols, delivered throughout a lifetime of firmware updates. Regular updates minimise security risks and keep your touchreen's data and security safe and up-to-date.

## Always functional

We ensure you're always able to use the functionalities of the included apps. Thanks to the continually supported OS, new functionalities will even become available on your older display.
